KB Home Insurance Agency™

When you find the right home, you know it. We think you should feel the same way when you select homeowner's insurance. The choice is easy for KB homeowners—**KB Home Insurance Agency.**

The Protection You Deserve

Your Homeowner's Policy protects your home and personal possessions from these hazards:

- **Theft**
- **Fire**
- **Vandalism and Malicious Mischief**
- **Water Damage**
- **Windstorm**
- **Hail**
- **Lightning**
- **Explosions**

Not only is the cost to replace your dwelling and personal property covered under the policy, but if your home is rendered uninhabitable due to a covered loss, your policy will pay for the additional living expenses you incur while your home is repaired or rebuilt. You also receive personal liability insurance, which protects against bodily injury or property damage suffered by your guests, neighbors or hired tradespeople.

See policy for actual coverages and descriptions. Exclusions and limitations apply.

Full Replacement Cost on Contents

A standard homeowner's insurance policy only replaces your personal property, up to its actual cash value at the time of loss. This can mean that after a few years of use, your TV, appliances, carpeting and other furnishings may have no coverage at all.

Replacement cost on contents coverage replaces your damaged personal property up to the actual replacement value. This means, for example, that if your old television is destroyed, your policy will reimburse you for the cost to replace it with a new one of like kind and quality, not just for its depreciated value at the time of loss.
