

Uniquely built for you.

KB Home works with you every step of the way so you get a personalized, new home at a price that fits your budget.

Innovative Design

Whether it's the things you see: open floor plans, flexible living spaces and extra storage, or the things you don't: quality construction techniques and energy efficiency, every KB Home is innovatively designed to be a healthier, smarter and more comfortable place to call home.

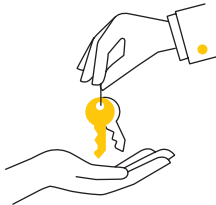

A Personalized Home

We give everyone the ability to personalize their new home from floor plans to design features to where they live in the community. Your vision comes to life at our KB Home Design Studio, a one-of-a-kind experience where you choose flooring, countertops, cabinets and more. Whether you choose to upgrade or not, all of our customers are given the freedom to personalize their new home.

Affordable Today and Tomorrow

No two KB homes are the same, and no two budgets are either. That's why we offer a variety of affordable homes that can be personalized with design options, many at no extra cost. Every home we build is designed to be ENERGY STAR® certified, which means significant savings on utility bills compared to used homes.

A Partner Every Step of the Way

Our dedicated KB Home team of sales counselors, Design Studio consultants, construction superintendents, customer service representatives, and KBHS® loan officers work hand in hand with you every step of the way. From expert advice to construction updates to making sure your home is perfect long after move-in.
