# Austin

Families love the ENERGY STAR® efficiency, beautiful design upgrades and Texas-sized living spaces in our new homes for sale in Austin. Many communities also feature family friendly swimming pools, parks and other amenities, and are located near terrific schools, great shopping areas and major employers like Dell and the University of Texas. With the latest money-saving technology choices, such as solar panels and WaterSense® features, our new homes in Austin will make you feel good about living in the Capitol City.
